

KING RANGE

Our **King** range has a timeless design that works in a multitude of interior schemes.

A key feature of this range is the durability of the finishes. We use a combination of solid timber, timber veneer and melamine to create an incredibly robust range of furniture.

The design is popular where the furniture isn't a dominating feature of the internal space but complimentary with the other internal finishes

KEY FEATURES

- Made from MDF with melamine or veneer finish to tops
- Color matched edge strip
- Solid timber legs with veneer cladding
- Solid timber side panels with veneer cladding
- Commercial warranty
