

CRUZ RANGE

Utilizing flat stainless steel frames with commercial grade timber veneer tops, the appropriately named **CRUZ** (Spanish for cross) range is strikingly different from the norm.

Functionality and strength are not compromised in the pursuit of a furniture range that stands out from the crowd!

Available in several veneer options, this eye catching range is ideal for a modern environment either as feature pieces or a complete range.

KEY FEATURES

- Made from MDF with timber veneer or high gloss finish to tops
- Color matched 0.6mm edge strip
- Brushed stainless steel frame
- Durable construction and commercial warranty
